Each year, more than 1200 students choose Inhispania to learn Spanish, which makes us one of the most popular schools in Madrid and an ideal place for students from all over the world to meet and make new friends.

Here at Inhispania we want to offer you more than just a Spanish course, we want to offer you a great experience.

**100%**  
focused on the  
teaching of  
Spanish as  
a foreign  
language

### Students

Our students come from all over the world and are usually aged between 18 and 32 years. The majority of our students are from Europe and North America, although we receive students from 60 different countries. More than 95% of the students at Inhispania come to the school alone enabling them to meet new people and make new friends. Many students choose Inhispania on the recommendation of their teachers and friends who have previously studied with us.

## Activities

Learning Spanish is more than simply learning the grammar. For this reason, Inhispania invites you to take part in a selection of extra-curricular activities. This gives you the opportunity to socialise with other students and teachers from the school and make new friends. Inhispania offers you the chance to visit Madrid and its surroundings, watch Spanish films, discover the nightlife in Madrid, take up dance classes, and much more. Inhispania is one of the most central Spanish schools in Madrid. It is located in one of the best areas in the city, at the intersection of Gran Vía and Alcalá streets and at a short walking distance (just three blocks) of the emblematic Puerta del Sol. In the neighborhood you can find an incredible range of restaurants, cafeterias, pubs, shops, art galleries and cultural centres.

The school is very close to many of the most important monuments and places of Madrid such as the Fountain of Cibeles (symbol of Real Madrid football team), the City Hall, the Metrópolis building, the terrace of the Círculo de Bellas Artes and the Banco de España. The headquarters of the Cervantes Institute is also just two steps away from us.
