

HOTEL MENINAS

COZY AND CHIC BOUTIQUE HOTEL DOWNTOWN MADRID

Hotel Meninas is located in an exquisite historic protected building of the XIX century in the historic centre of Madrid, right by the Opera. It has been transformed into a state-of-the-art boutique hotel. A classic atmosphere blended with modern decorative touches.

The guest rooms, designed to make you feel at home, are a perfect balance between the comfort and most advanced technology of our time and the setting of a typical nineteenth century mansion in Madrid.

Located in the old wine cellar, the Meninas Restaurant, offers a spacious time-range for a buffet breakfast and a select menu of Mediterranean cuisine for lunch and dinner.

The Hotel Meninas is a charming hotel which provides a very personal attention to its clients and looks for the smallest details.
